Student's Name:	Sandra Barcenas
Date:	11/09/17
# of pages	4

Professor Proof:	
Is site using Flexbox?	☒ Yes ☐ No
Student Feedback:	• Work on the ideas we discussed during class about your components & spacing to keep elements that belong together or separate elements that don't.

Student #1 Name:	Malik Bahhur
Student Feedback:	• Logo redirects user to BEM assignment. • Nav bar is clean and consistent. ○ Consider separating dropdown items with borders
Signature	*(signature)*

Student #2 Name:	Haylee Steinert
Student Feedback:	• Search bar seems very tiny, nav in general is very small • Consider some way to break up text in FAQ page • Logo links to BEM, consider linking to homepage. • Blog component image is very large.
